

Aquafresh[®]

TOOTHBRUSHES

DEEP-ACTION

3 HEADS
are better
than one*

- Specially designed to remove plaque from it's source
- The only toothbrush with a head divided into three independently moving parts
- Proven to provide 5x better reach around the gumline*

GEL-FLEX

3X better
cleaning
contact*

- Now with flexible gel brush head
- Flexible neck bends to absorb excess pressure from brushing
- As you brush, **GEL-FLEX** gently wraps around teeth

*Laboratory testing compared with a standard flat trim toothbrush.

Payment Terms: Net 30 days from invoice date. The company reserves the right to cease filling orders for accounts more than 30 days past due. Discounts may not be combined with any other special promotions. Shipping and Handling: Delivery will be via ground shipping. We provide door-to-door, fully insured, prompt delivery service anywhere in the United States. There is an additional charge for two-day or overnight shipping. Return Policy: GlaxoSmithKline provides a return policy allowing 30 days from the invoice date for return of products. To receive credit for returned goods: A) you must obtain prior authorization from our Dental Products Department (1.800.652.5625); B) a copy of the original invoice and a brief statement explaining the reason for the return must accompany the product; C) must be made within 30 days of the invoice date. Seller reserves the right to evaluate the age, quantity, kind and condition of any returned merchandise, which evaluation shall be final and shall govern that amount of credit issued. Seller further reserves the right to assess redressing charges for unsalable merchandise or to deduct 25% of the price of returned merchandise or actual handling cost, whichever is greater. ©2008 GlaxoSmithKline Read and follow label directions. 8-191ST
